	Appoint lunchtime play leader supervisor to organise the play leaders and help with equipment and games.	£1,093	
Total spend on objective:			£1,308
TOTAL SPEND:			£14,911
Impact of premium use 2017-18			

Impact on pupils' participation:	<p>We continue to enter a significant amount of Cheshire Oaks schools' partnership events.</p> <p>We continue to organise Intra-school competitions competition's as and when time permits.</p> <p>We have seen a significant increase in pupil's participation in active activities at lunchtime.</p> <p>Taking everything into consideration participation has risen by a significant amount.</p>
----------------------------------	---

How the premium has allowed pupils to develop active lifestyles:	<p>We have been working on developing healthy lifestyles for some five years and during this time we have seen a significant improvement in our pupil's emotional and physical well-being as evidenced by improved attendance, less exclusions and higher standards of attainment.</p> <p>The sports premium has allowed us to continue this work.</p>
How the school will sustain the improvements:	<p>Cambridge Road is committed to PE and school sport and will continue to target funding at improving this important area of school life. We hope that further enhancement of resources, provision of different sports, staff CPD and so on will help to maintain the focus on physical activity for many years to come!</p>

Plan developed in September 2017

Meeting national curriculum requirements for swimming and water safety

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	56%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	48%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	We are waiting for the Sports Partnership to release the dates for additional provision as it is included in our membership fee.
